nithya.pabba@gmail.com

pabba-sri-nithya | NithyaPabba

EDUCATION

•Bachelor of Technology in Computer Science and Engineering

B V Raju Institute of Technology, Narsapur

2023-27

CGPA: 9.62

TECHNICAL SKILLS

Languages: C, Python, Java

Web Technologies: HTML, CSS, Javascript

Libraries: Pandas, Numpy, Matplotlib

Domains: Introductory Machine Learning, Image Classification (project based)

Relevant Coursework: Data Structures & Algorithms, OOP, DBMS, Software Engineering

Areas of Interest: Web Development, Machine Learning, DBMS

Soft Skills: Problem Solving, Self-learning, Adaptability

PERSONAL PROJECTS

•Google Earth Engine Dashboard

An interactive dashboard designed to visualize and analyze remote sensing datasets using Google Earth Engine.

- Developed a dynamic dashboard that connects to and visualizes datasets from Google Earth Engine.
- Implemented data filtering, layer selection, and custom visualization features for intuitive geospatial analysis.
- Tools used: JavaScript, Python, Google Earth Engine API, Streamlit.

•HyperSpectral Image Classification using 3D CNN

A 3D CNN-based model to classify hyperspectral remote sensing images using spatial-spectral features.

- Developed a deep-learning model to classify hyperspectral remote sensing images.
- Applied 3D Convolutional Neural Networks to extract spatial-spectral features.
- Tools used: Python, TensorFlow, Scikit-Learn.

•Movie Ticket Booking System using C

A movie ticket booking system using C to handle reservations, cancellations, and seat availability.

- Console-based movie booking system built using C.
- Enabled users to view movie show timings and book tickets through the command line.

EXPERIENCE

•IBM SkillsBuild Mastering Data with Machine Learning Internship

Oct 22 – Nov 5, 2024

Completed a focused 15-day internship on foundational data science and machine learning concepts. Online

- Gained practical experience with machine learning workflows and data processing techniques.
- Strengthened skills in data-driven problem solving applicable to AI projects.

•Infosys Pragathi - Cohort 4

April-June 2025

Trainee

- Attended a 12 week structured training in programming, problem-solving and business communication. Online
- Enhancing employability skills through technical challenges and soft skill development.

CERTIFICATIONS

–**IIT Madras:** Foundation in Programming and Data Science

–**Salesforce:** Salesforce Certified Agentforce Specialist

–**Smart Interviews :** Smart Coder Certificate

–**NPTEL :** Python for Data Science

–**NPTEL:** Data Structures and Algorithms in Python

–**NPTEL :** Programming in Java

–**Cisco :** Programming Essentials in C

–**Hackerrank :** Python (Basic)

–**Hackerrank :** SQL (Basic)

ACHIEVEMENTS

–Earned 5-star badge in Python, and 4-star badges in Java and C on HackerRank.

–Solved 500+ coding problems on CodeChef.
